

Agenzia Regionale Socio Sanitaria del Veneto

Direttore: Fernando Antonio Compostella

Convegno
La Qualità del Sistema Sanitario Regionale del Veneto

Patologie respiratorie, gastroenteriche, metaboliche, ortopediche e ginecologiche

Roberto Turra

Hotel Sheraton - Padova, 16 Gennaio 2009

Risultati

Apparato Respiratorio

- Asma, MOCP

Apparato Digerente

- Disidratazione nell'adulto, Gastroenterite nel bambino, Appendicectomia incidentale nell'anziano, Colecistectomia

Diabete

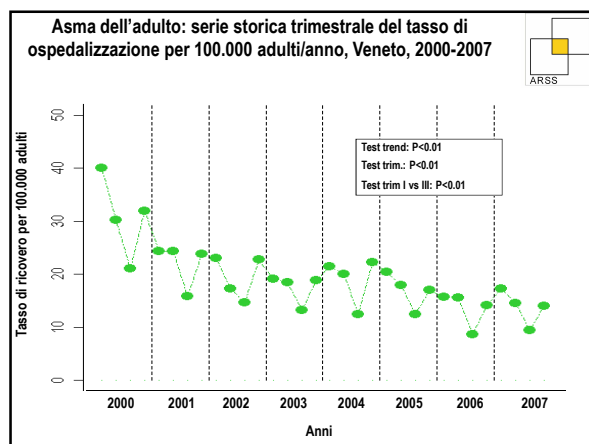

- Coma, Amputazione piede

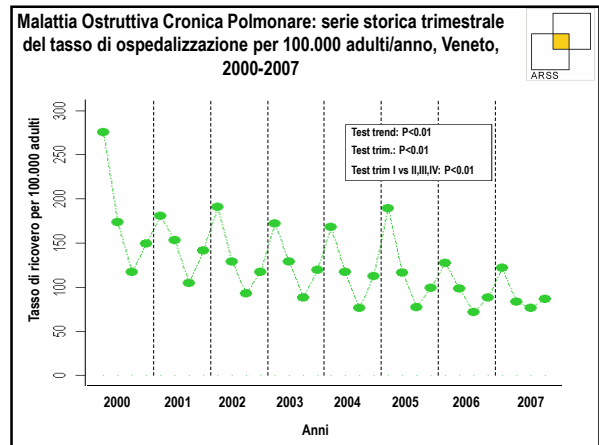

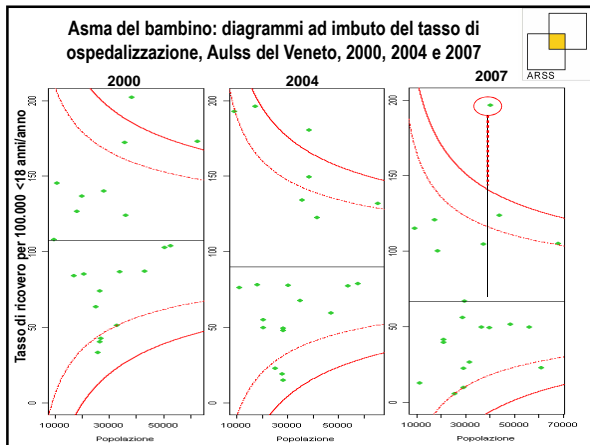

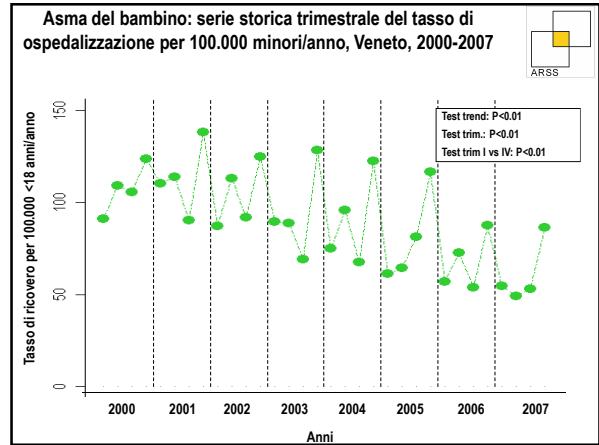

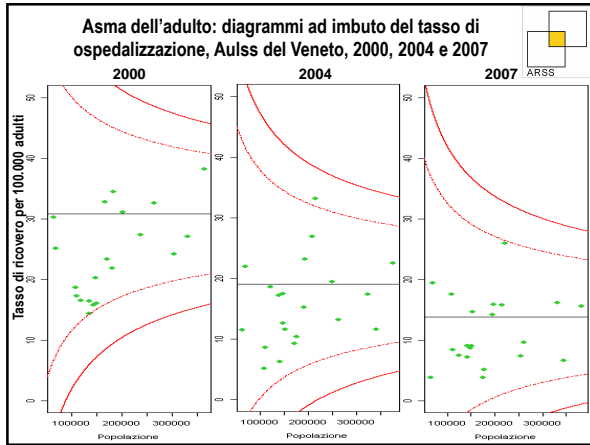

Apparato Scheletrico

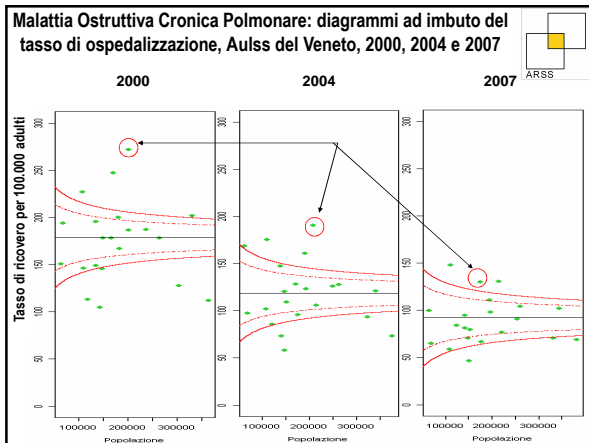

- Frattura d'anca, Protesi d'anca

Apparato Riproductivo Femminile

- Parto cesareo e vaginale strumentale, Isterectomia

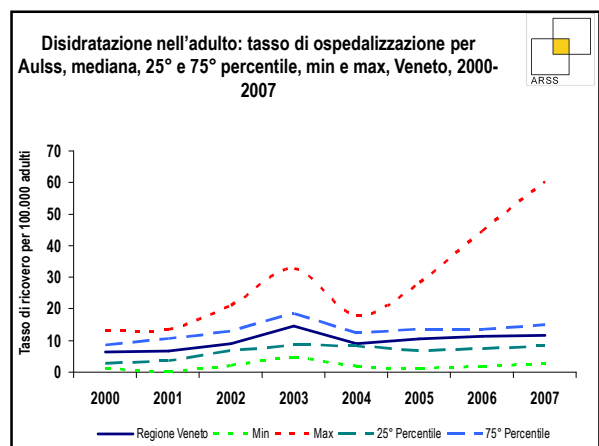

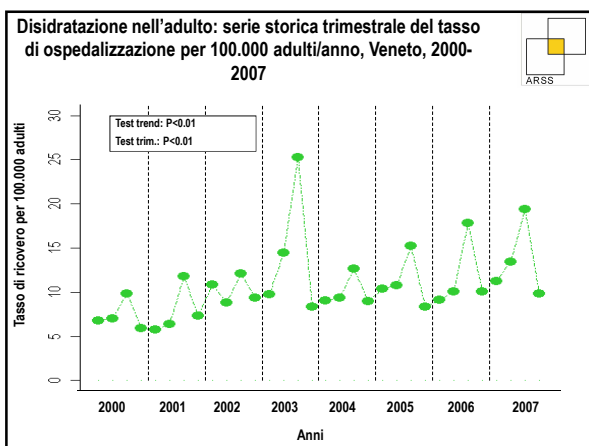

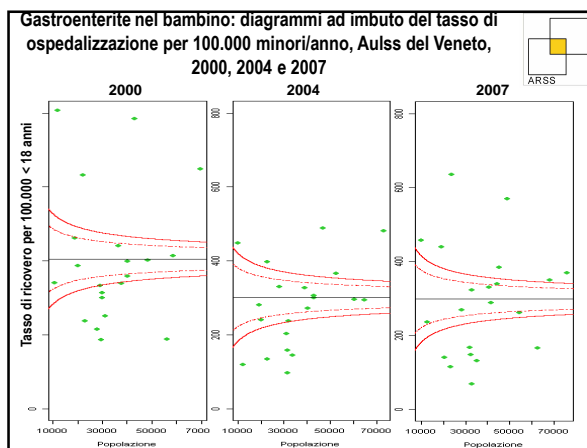

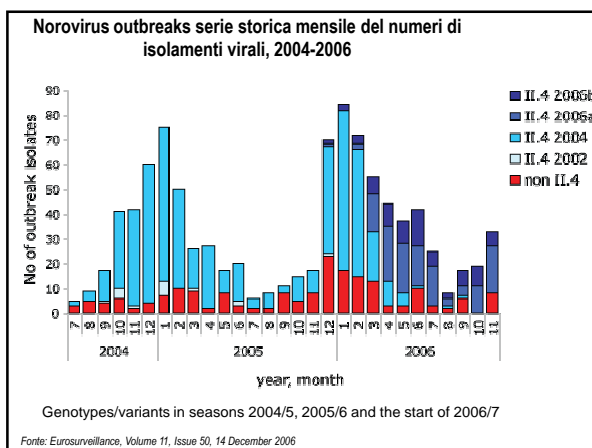

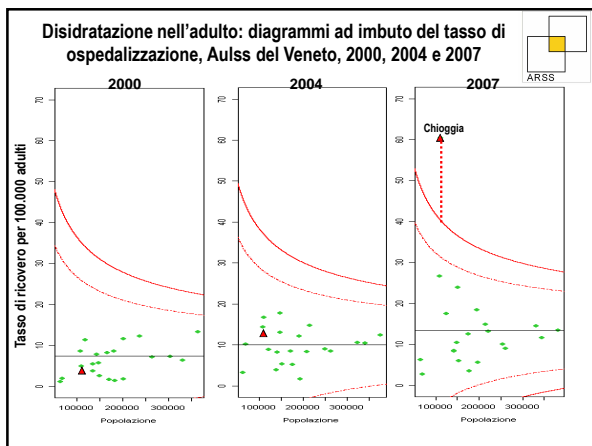

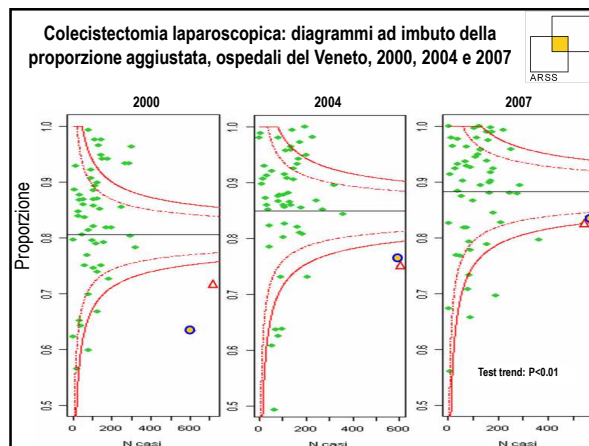

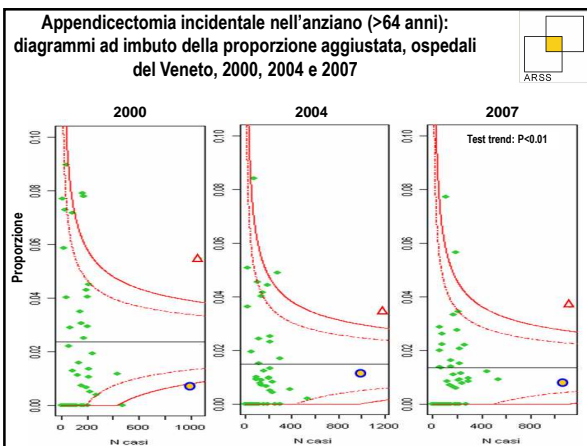

Apparato digerente

- Disidratazione nell'adulto
- Gastroenterite nel bambino
- Appendicectomia incidentale nell'anziano
- Colectomia laparoscopica

ARSS

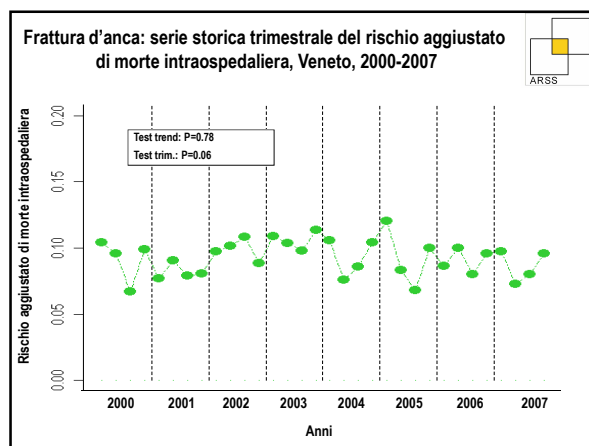

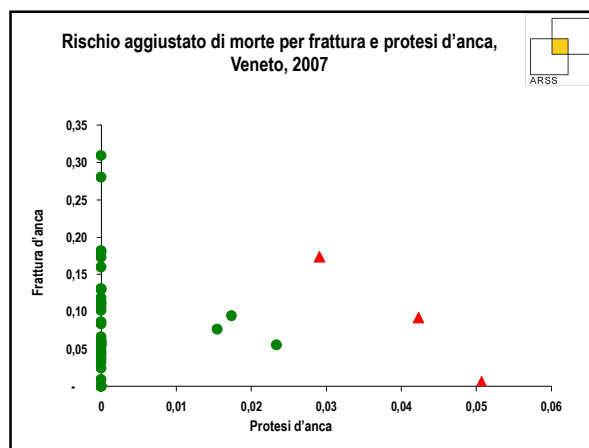

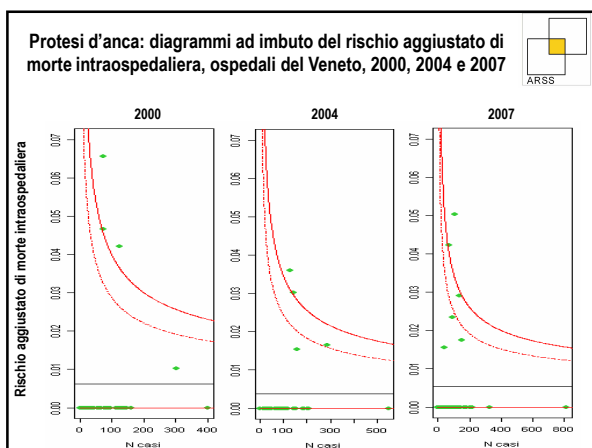

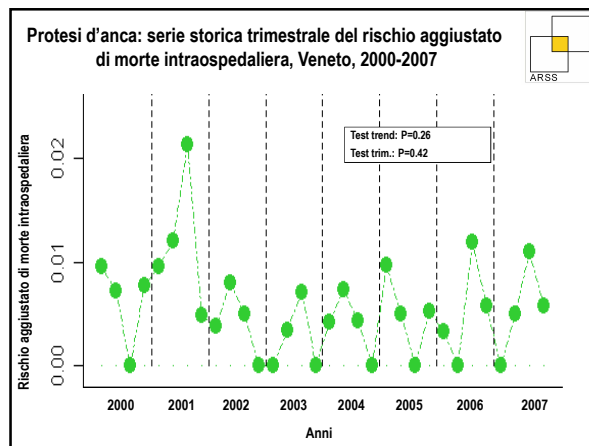

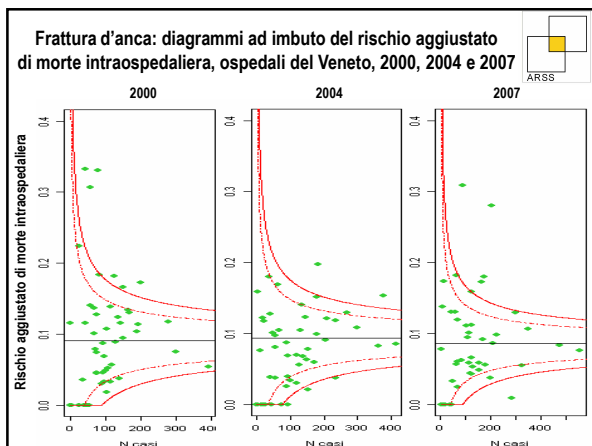

Apparato scheletrico

- Frattura d'anca
- Protesi d'anca

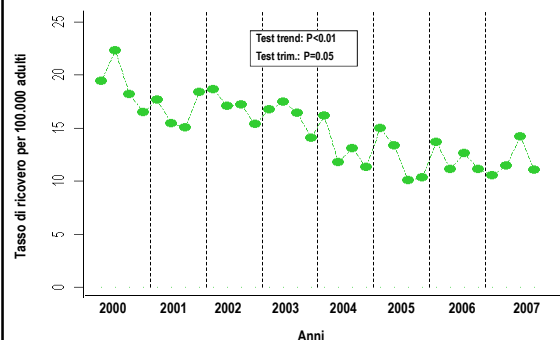

Diabete

- Coma diabetico in adulto e bambino
- Amputazione di piede diabetico

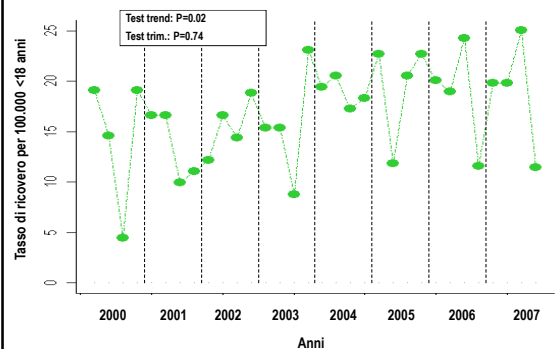

Coma diabetico nell'adulto: serie storica trimestrale del tasso di ospedalizzazione per 100.000 adulti/anno, Veneto, 2000-2007

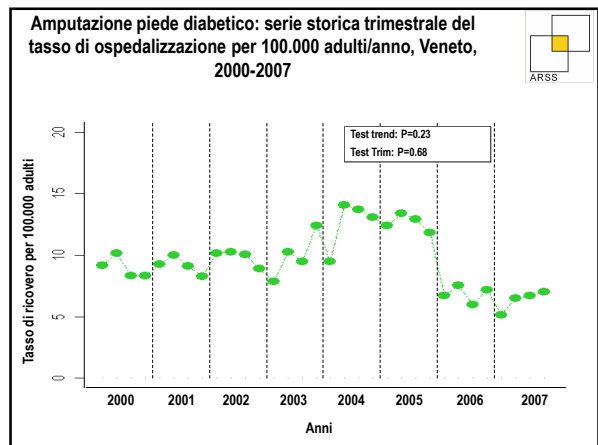

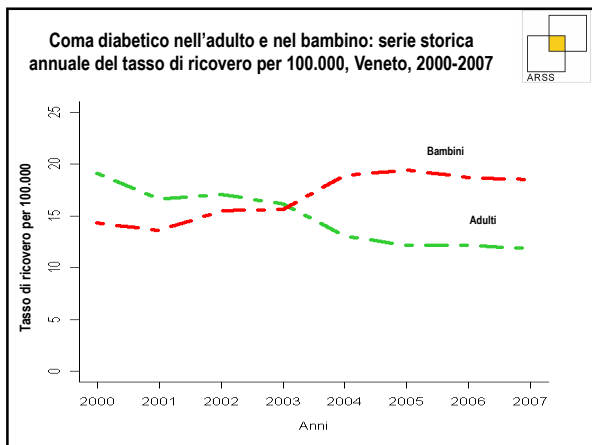

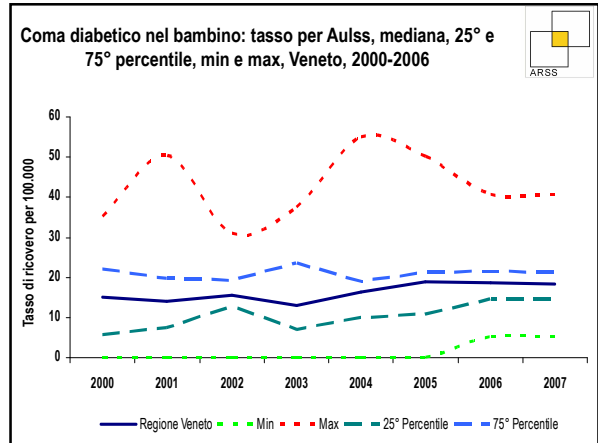

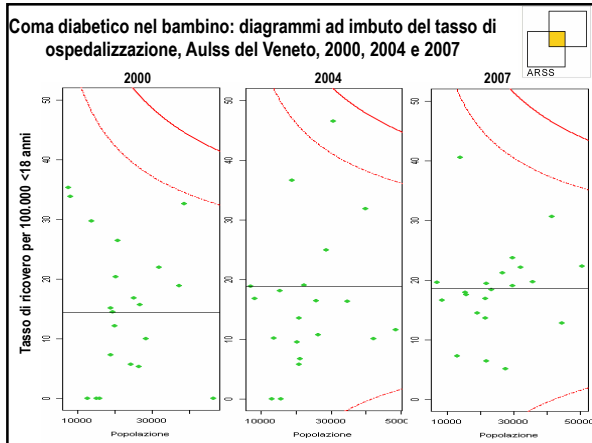

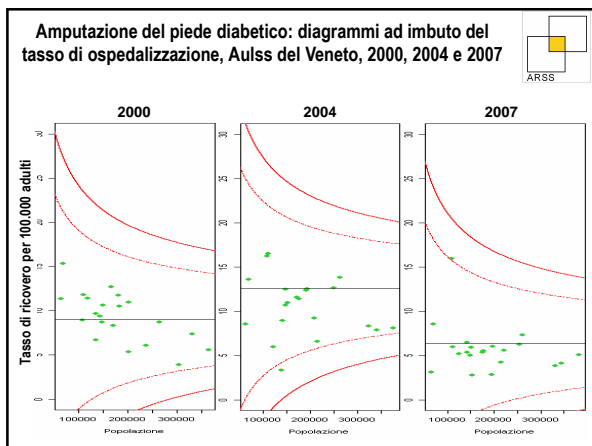

Coma diabetico nell'adulto: diagrammi ad imbuto del tasso di ospedalizzazione, Aulss del Veneto, 2000, 2004 e 2007

Coma diabetico nel bambino: serie storica trimestrale del tasso di ospedalizzazione per 100.000 minori/anno, Veneto, 2000-2007

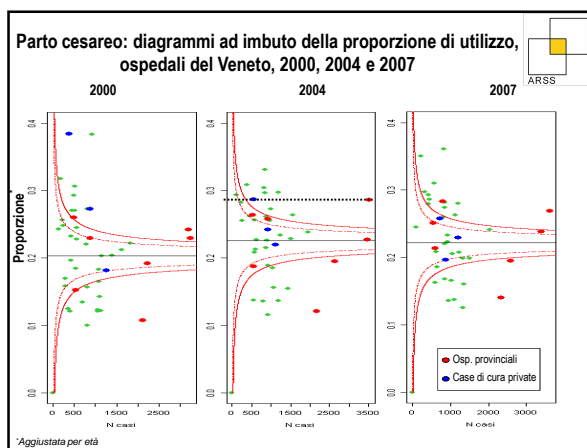

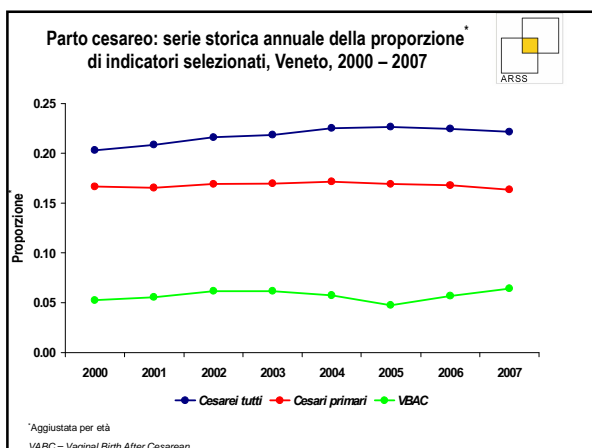

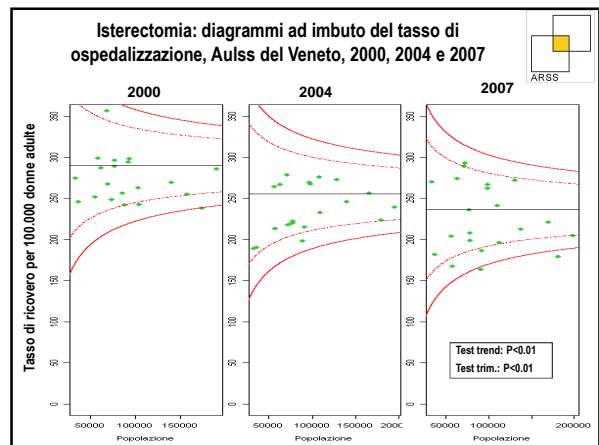

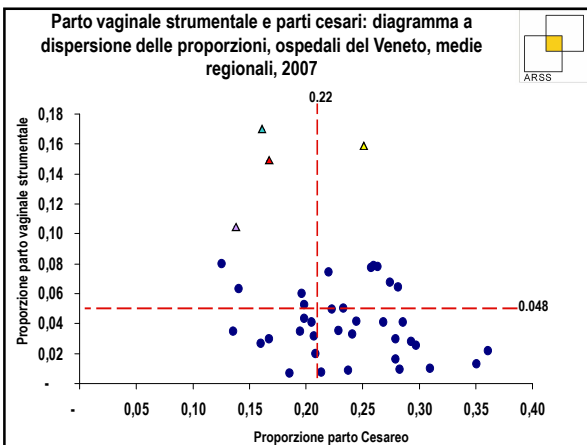

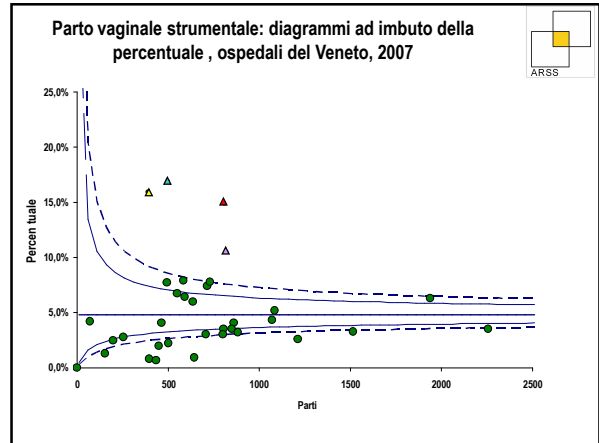

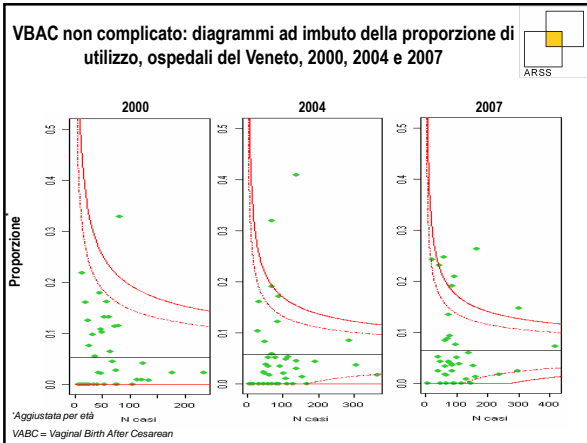

Apparato riproduttivo femminile

- Parto cesareo e vaginale strumentale
- Isterectomia

Conclusioni

- **Trend in diminuzione per**

- Asma dell'adulto, asma del bambino, malattia ostruttiva cronica polmonare, gastroenterite nel bambino, coma diabetico negli adulti,
- amputazione piede diabetico, isterectomia

- **Trend in aumento per**

- Disidratazione nell'adulto, coma diabetico in età pediatrica
- Colectomia laparoscopica

- **Variabilità estrinseca in aumento per**

- Gastroenterite nel bambino, parti cesarei, VBAC

Priorità

- Variabilità estrinseca in aumento
- Trend in aumento
 - Gastroenterite nel bambino, parti cesarei, VBAC
 - Disidratazione nell'adulto, coma diabetico in età pediatrica
 - Linee guida, aggiornamento
